The Look, Feel, and Features of our **NEW DESIGN** place **GLASS-GARD®** as the **Premier Eyeglass Holder**.

All the quality you've come to expect from the originators of the **Glass-Gard®** Band Type Eyeglass Holder is in the **NEW Glass-Gard® "one piece molded"** Eyeglass Lanyard.

- *Slim, Smooth, Soft, Light and Comfortable.
 - *One piece molded of Space Age TPE Elastomer in a **28" length. ** STANDARD STOCK SIZE IS 28" LONG.**
 - *The new design will fit **ALL** temple sizes and allows the **"Positive Grip Tips"** to easily slip on to the temple ends.
 - *Easily adjusted to allow glasses to be hung around the neck.
 - ***Glass-Gard®** holds any type of eyeglasses: reading, safety, sunglasses and special purpose securely in place. For Boating, Skiing, Fishing, Reading, any activity where you want to keep your glasses handy.
- BEST OF ALL:**
- *Will not absorb oils, salts, body oils or chemicals-can be sterilized-wipes off to be bacteria free-perfect where cleanliness is a MUST. Excellent in Hospitals where bacteria is a constant problem with cloth type holders.
 - *Great for use in CLEAN ROOMS, NO FIBERS OR LINT IN THE AIR.
